# Where do you start?

I would like to take the following course(s) this semester: (Fill in your selection using the Course Catalog.) NOTE: "Online Courses" can be audited but no syllabus or textbook will be provided.

Course Code	Course Title	Units	Credit	Audit

Remember to consult the Curriculum Guides if you are a matriculating student (in a degree program) to make sure you are on track and taking the correct courses.

*NOTE: As a student you have the option to take classes for credit or not. If you are looking to refresh your knowledge, but you are not interested in working towards a degree or certificate, then you would be classified as an "Audit Student." As such, tests, workbooks and projects would be optional and you would not receive a formal grade.*

# How much will it cost you?

Tuition costs are calculated by the total number of units you are taking. If you are enrolled as an undergraduate (Associates or Bachelors), then you will be charged \$50 per unit/credit. The tuition cost is \$30 per unit if you are not taking a course for credit (as an Audit student). For example: A three (3) unit course would either cost \$150 (for credit) or \$90 (for audit). Please use the space below to calculate your total cost. Masters students are currently charged \$60 per unit.

Total Number of Units	Cost per Unit (\$50 or \$30 ea.)	Registration Fee	TOTAL DUE	Please note that books and other materials are charged separately and must be paid for at the start of classes.
		\$25		See the back page for further payment information.

Payment can be made by cash or check - we do not accept credit/debit cards at this time.

# Signature and Acknowledgement...

I understand that I am required to abide by the College's attendance and absence policies and that my tuition costs are due and payable two weeks prior to the end of the semester. I also understand that my grade reports will be withheld until my financial obligations are met. The Student Handbook (or Quick Guide) will provide you with more details.
